THREE TOWNS IN LINE FOR BALL

Final Organization of League Postponed Until the Fourth Franchise Is Placed.

Representatives of four towns in the state clamoring for admittance into the new baseball league met at the Kenyon hotel yesterday and after going over the details of the league and discussing every point, it was decided to be the sense of the meeting that the league be organized. A permanent organization was not effected, because it could not be shown that Provo was financially ready, although perfectly willing to go ahead. Salt Lake, Murray and Ogden were on hand and ready to do business, but there is still some work to do in Provo before that city can be banked.

J. D. Larson said the proposition of Provo going into the league was now up to a committee appointed by the Kenyon club, but as a majority of the members of this committee were out of town, it was found impossible to get their verdict before he left for Salt Lake. He believes that with more time, Provo will be swung into line and asked that this be granted. It was also decided that the Salt Lake, Murray and Ogden send representatives to Provo to attend a meeting of the Commercial club on Wednesday night, to help those working in Provo to get that town in line.

Another meeting will be held on Friday night, at which time it is expected a permanent organization will be formed. A committee was appointed to have complete plans for a permanent organization ready at this meeting.

It developed at the meeting yesterday that Ogden is in line stronger this year than it has ever been for baseball. Hereafter it has been hard work to get the necessary money to promote baseball in Ogden, but the men behind the club this year have inspired so much confidence that the work in raising funds has been extremely easy. The same thing has developed in Murray. Representing J. C. Smith of Murray said the fans of the smelter town had been fortunate in getting Marshall Mauss back of the proposition and that he had been working like a Trojan to shape up that town for baseball. Murray realizes that it will get more free advertising in baseball than it could in any other way. Both Smith and Birch claimed Murray would surprise the other towns in the question of attendance at the league games.

Those present were R. N. Hess, representing Ogden; J. C. Macdonald, representing Salt Lake; J. C. Smith and T. J. Birch, representing Murray, and J. D. Larson representing Provo.

STATE MEET FOR LOGAN

Given Date for Next Year at Meeting of Intercollegiate Conference Held at Kenyon.

The state track and field meet is to be held in Logan next year. This was decided upon by the representatives of all the schools at a meeting at the Kenyon hotel yesterday. Ever since the state track meet was inaugurated it has been held at Salt Lake and has been considered a fixture for this city. Yesterday, however, the A. C. and B. Y. C. brought up the point that it would be a good thing for athletics at Logan, where two of the schools are located, to give that town the meet. They believed it would draw a crowd large enough to pay the expenses of the visiting teams. The matter was discussed at length and all of the teams readily agreed to give Logan a trial next year, and if it proved a success to also give Provo some future date.

Coach C. T. Teetzel of Provo was again chosen president of the organization, and Coach E. J. Milne of the L. D. S. U. secretary. There was no other important business before the meeting.

LOS ANGELES HAS "BUG."

Promoters Say They Are Going to Build Saucer Track.

(Special to The Herald.) Los Angeles, May 17.—It has been announced that work will shortly start on a \$10,000 saucer track in this city. The promoters claim it will be seven seconds the mile faster than the one in Salt Lake. The promoters have already invited all the cracks of the country to come here to race.

"None of the cycling fans of this city need worry much about the above proposed track interfering with the races in Salt Lake this season. They have been building this track in Los Angeles for the past year and it will take something stronger than announcements to get any of the riders here to leave for Los Angeles."

TOBIN ABOUT AGAIN.

Referee's Injury Not as Bad as It Might Have Been.

John F. Tobin, coach of All Hallows college, who was hit by a discus while refereeing the state track meet at the university on Saturday, was about yesterday. Tobin will have a bandage around his head for a couple of days and carries a black eye, but he is a work of art when it comes to fine coloring. He said yesterday he was none the worse for the accident, but that he saw many stars that have never been discovered by astronomers.

EXPOSITION OPENED.

Munich, May 17.—The Bavarian exposition was opened yesterday by the prince regent with gorgeous state and military display. The exposition is illustrative of the arts and industries of Bavaria, and will remain open until October. It was organized under the patronage of the prince regent and an effort has been made to make it the central attraction for the coming summer.

Last night about 1 o'clock a fire caused by an overheated furnace was discovered in the Provo Foundry & Machine company's molding room. James Pierce, lives next door.

He awakened, and went into an adjoining room and piled the fire hose with such good effect that the fire did not reach any other part of the frame building than the wing in which it started. In the meantime William Logan, who discovered the fire on his way home, ran three blocks to the Elkhorn pharmacy, where he turned in a fire alarm, and the department responded in quick time. The damage was about \$400.

OGDEN IS ALSO HUNGRY

Big Crowd Turns Out to See Occidentals Win Ball Game.

(Special to The Herald.)

Ogden, May 17.—The Occidentals from Salt Lake defeated a picked nine at the Glenwood ball park here this afternoon by a score of 4 to 1. Considering that Ogden's team was made up from a few of the Lewis Jeweler's team, including the battery, and what other men could be picked up, the game was a good one.

Cutlip was in the box for the locals and held the Occidentals down to six hits. The best the Ogden outfit could secure off Langford was four, and these were pretty well scattered. The Occidentals virtually won the game in the first inning, due to the condition of the outfield, which was covered with a coat of slimy mud. Hamlin, who looked after center field, had two falls in the first inning and during the mixup the Salt Lakers scored two runs. The lone tally made by Ogden was secured in the sixth inning with two men out and the batter having two strikes.

Cutlip in holding down the visitors to six hits surprised the fans. He really pitched better ball than the score would indicate, striking out six men, although Langford had easily the best of the argument. The four hits secured by Ogden were credited to Cutlip, Wardleigh, Hamlin and Taylor. Each side drew four errors.

Another surprise was the attendance. The bleachers were crowded and the grand stand was comfortably filled. This is taken as a good indication of how hungry the people of Ogden are for baseball this year.

The score by innings:

	1	2	3	4	5	6	7	8	9
Occidentals	0	0	1	0	1	0	0	0	4
Ogden	0	0	0	0	0	1	0	0	1

Batteries—Langford and J. Burns; Cutlip and Wardleigh and Hamlin. Umpire—Graves.

SULLIVAN GETS MATCH

Salt Lake Boxer Meets Kid Dalton Before Los Angeles Club.

Los Angeles, May 17.—Peter Sullivan, who is scheduled to fight a fifteen-round fight with Kid Dalton at Jeff's barn on Decoration day, arrived in Los Angeles yesterday and will begin training at Doyle's camp, where Freddie Welsh, the young English lightweight, is going through his training routine.

Sullivan is well thought of around San Francisco, where he has been fighting, and is said to be a clever boxer. Dalton is hard at work preparing himself for the coming battle and will no doubt give a good account of himself. He is well known to the fight fans of Los Angeles and needs no introduction. He is a hard hitter and is thought to be a comer.

Views of Farman.

Paris, May 17.—Henry Farman, the English aeronaut, now in Paris, said with reference to his challenge to the Wright brothers, the American aeronauts, that he would provide \$5,000 for the match, and if required, he challenges the Wright brothers as most expert aeronauts and capable of accomplishing wonderful feats, but he said he was not a fighter. Regarding his own aeroplane, Mr. Farman said that it is capable of remaining in the air for twenty-four minutes at a speed of eight kilometers an hour. With modifications he is now introducing a new hour record.

Next week Mr. Farman will begin a series of experiments on an immense plan outside the town of Ghent, which offers facilities not obtainable in Paris.

SALT LAKE, 8; SOLDIERS, 3.

Norris Brothers Oppose Each Other in Box.

Fort Douglas made its second appearance on the local diamond this season when it met the Salt Lake team at Walcott's. The game was a close one, the final result of the game was 8 to 3 in favor of the locals. The Soldiers played a much better game than two weeks ago and showed considerable improvement in all departments of the game.

The Norris brothers were the opposing pitcher. A. Norris, who works for Salt Lake, had a little the better of the argument. There were fully a thousand fans on hand to see the game.

L. D. S. U. WINS PROTEST.

Game With B. Y. U. Will Be Played Over Again.

A meeting of the Utah coaches was held at the Kenyon yesterday afternoon, when the question of the protested game between the L. D. S. U. and B. Y. C. came up for discussion. After hearing the full details of the L. D. S. U. protest the coaches called the contest no game and it will be played over. This is the game played in Logan a week ago in which there was a disagreement over a ground rule. The L. D. S. U. refused to stand for the decision of the umpire and left the field, the umpire awarding the game to the B. Y. C.

ATHLETIC CLUB OPENS.
